

K-Love is a family friendly program that our family would miss very much if the LPFM does away with the current FM Programming that we enjoy so much. I believe this would also negatively effect the community in which we live since so many people that I know also listen to K-Love on FM translators. The service provided by K-Love is in the public's best interest because it is a very positive wholesome program. Please do not make this unavailable to so many who depend on it!
